WE LOVE TO MAKE

EDDIE'S JUMBO LUMP CRAB CAKES

Eddie's famous oven-ready crab cakes came to exist thanks to popular demand. Already a popular heat-and-serve entrée from our kitchen, some regular customers of Victor's Seafood department (inside our Roland Avenue store) expressed the desire for a version they could bake at home. Hand-formed using premium, jumbo lump crabmeat and a hint of classic Old Bay, word of the special-request crab cakes quickly spread, becoming a "you-snooze-you-loose" special made daily, in limited quantities. Shortly after, the new crab cakes went on to earn a permanent spot inside Victor's display case, and today, it's that same time-tested, 30+ year recipe that is made by hand in both stores' seafood departments, every day.

FOODIE FLASHBACK

"Six years ago, when our son Brennan was born, life became really unpredictable: following 111 days in the NICU, Brennan came home with a tracheostomy and feeding tube, requiring round-the-clock care. Our daughter's preschool thoughtfully gifted us with a gift card to Eddie's of Roland Park, where the staff was always so kind and compassionate. Whether we needed groceries or prepared meals delivered, it was a relief knowing that all I needed was to pick up the phone and help would be there."

—**Heather Walsh**, founder, (cool) progeny
