HOW TO MAKE MAPLE-ROASTED BUTTERNUT SQUASH

INGREDIENTS

1 large butternut squash
2 tbs. olive oil
2 tbs. maple syrup
½ t. ground cinnamon
1 t. kosher salt
Dash cayenne pepper (optional)

PREP TIME: 15 Minutes COOK TIME: 45 Minutes SERVES: 4 People

TO PREPARE

Preheat oven to 425°. Peel, seed and dice squash into 1-inch cubes. Spread cubes onto a heavy sheet pan.

In a small bowl, mix remaining ingredients, including a tiny amount of cayenne if you'd like a little heat in the dish. Pour the mixture over the squash and distribute evenly with clean hands or a wooden spoon. Spread the cubes as evenly as possible around the pan in one layer.

Bake in the oven for 40-45 minutes, stirring once halfway through cooking, until edges of cubes are browned and squash is tender.

EDDIE'S TIP

Leftovers make a great fall soup. Toss remaining squash into the blender and puree with a little chicken or vegetable stock.
